Dear Athenians,

Welcome Back! And get set for a very big year at Mount St. Mary's College.

This is the year of the 75th anniversary of the College AND the inauguration of our new president, Dr. Jacqueline Powers Doud. I hope that you will make this a year of personal involvement . . . in your major, in clubs and activities, in local and national elections, and, of course, in the upcoming inauguration of our new president.

May this be a satisfying and challenging time for you, full of all the reward, learning and friendship that the Mount has to offer you. Good Journey!

Here's to a successful 2000 – 2001!

Dr. Jane Lingua and the entire Student Affairs staff

Leadership Challenge Survivors!!!

Congratulations to all the Leadership Challenge survivors! On October 7th students embarked on a voyage aboard the S.S. Leadership. The S.S. Leadership crashed and left passengers stranded on four distinct parts of a deserted island where four tribes were formed. In order to survive, each tribe had to create their own culture who, together, hunted and gathered their food, traveled through quicksand, and built a shelter to withstand rain and wind.

At the end of an eventful day, there was inter-tribal meeting where each tribe shared their culture along with what they had accomplished and learned from one another. Spirits were high as these brave souls shared their inspirational survival tips and stories. Later, they found out that the day had all been an experiment to determine whether or not the five practices of the Relational Leadership Model really work(Inclusiveness, Empowerment, Purpose, Ethics, and Process Orientation). Once the Captain (Stephanie Cubba) was satisfied that the passengers had learned the model, she and her trusted crew rescued the newly formed tribes and sailed away to a delicious banquet.

Congratulations, once again, to the many survivors! Watch out for the next cruise, don't let it pass you by!

Dear Athenians,

It is hard to believe that final examinations are already upon us and that Christmas is just around the corner! Sometimes, with all the intensity that surrounds us this time of year, it's easy to forget that we are in the season of Advent, a time of waiting and hoping and believing in the Good News of Christ among us. Let us ask God to help us to bring our best selves to final examinations, so that we might study hard and apply ourselves to all that is expected of us as members of the Mount community. May Christmas be a time of joy and of reconnection to family and friends. Enjoy your vacation and come back in 2001 ready to go!

Good journey Athenians!

Academic Policy Committee - On March 23rd, the Faculty Assembly voted approval for a new College policy on academic minors.
This policy will become effective as of **August, 2001** for any continuing student who has not declared a minor by May 11, 2001 and for any new freshmen or transfer students.
The policy is as follows:
Definition: A minor should enrich a student's major, allow for specialization within a major, broaden a student's career options, and encourage exposure to other academic disciplines. While most disciplines require 18 units to complete a minor, some departments require additional units. (Please refer to the College catalog.)
Guidelines: In addition to the requirements of individual academic disciplines, a student must complete three (3) upper division courses (9 units) for a minor which are not also being used to fulfill requirements for the major, general studies or another minor. The deadline for declaring a minor will be the end of a student's junior year.

Mary's Day

Mary's Day, the annual academic honors and college awards convocation, will be held this year on Saturday, April 28th, beginning at 2:00 pm in the Little Theater (Chalon).

Mary's Day is a celebration in which the college community honors Mary, the Mother of Jesus. From it's inception over 50 years ago, this day has included a procession to the statue of Mary enshrined on campus, and the crowning of this statue with a wreath of flowers.

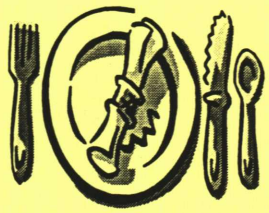

Throughout the years, it has been the tradition of Mount St. Mary's College to honor Mary by recognizing students who have developed their gifts so as to share them in service with the world in which we live.

Please plan to join the Mount community in honoring those students who will be recognized on Saturday, April 28th. All students, faculty, staff, administrators and their families are invited to attend the Mary's Day ceremony. See you there!

FLOUNDERING, FAILING, FEELING LOW?
GET HELP ON DEPRESSION SCREENING DAY, APRIL 24th

People say college is supposed to be great, but many students feel like they are just out of it, disconnected and alone. They feel sad, trapped by inertia, hopeless and not "up to the challenge" of college. If you feel that way and can't shake yourself out of it no matter what you do, you might be suffering from clinical depression. Depression is more than just a bad day, it is the result of a bad grade or anxiety about the future. Depression a treat-able disorder that can leave you feeling so bad that you forget how it feels to feel good.

SYMPTOMS OF CLINICAL DEPRESSION INCLUDE:

- Persistent sad, anxious or empty mood
- Feelings of hopelessness, pessimism, guilt, helplessness
- Loss of interest or pleasure in usual activities
- Sleeping too little or too much
- Changes in appetite
- Decreased energy, fatigue and feeling "slowed down"
- Thoughts of death or suicide, suicide attempts
- Increased restlessness and irritability
- Difficulty concentrating, remembering or making decisions
- Physical symptoms – headaches, digestive disorders, chronic pain – that don't respond to medical treatment

The MSMC Counseling and Psychological Services will be offering free, confidential screenings for depression where you can fill out a quick self-test and talk with a counselor about your personal situation and learn about what services are available on campus. The screening will be **Wednesday, April 24th from 11:00AM –2:30PM on the Chalon Campus in the circle**. Call (310) 954-4112 for further information.

NEW COLLEGE POLICY FOR MINORS

On Friday, March 23rd, the Faculty Assembly voted approval for a new College policy on Minors.

This policy will become effective as of August 2001 for any continuing student who has not declared a minor by May 11th and for any new freshmen or transfer students.

The policy is as follows:

Definition: A minor should enrich a student's major, allow for specialization within a major, broaden a student's career options, and encourage exposure to other academic disciplines. While most disciplines require 18 units to complete a minor, some departments require addition units (refer to College Catalog).

Guidelines: In addition to the requirements of individual academic disciplines, a student must complete three upper division courses (9 units) for a minor which are not also being used to fulfill requirements for the major, general studies or another minor. The deadline for declaring a minor will be the end of a student's Junior year.

Special Upcoming Events (DOHENY CAMPUS)

1. Doheny Awards Ceremony is on Thursday, May 3rd from 1:00-2:00 pm in the Lecture Hall.
